

Chui Chan Hon

Consultant in Paediatric Surgery, Mount Elizabeth Medical Centre, Singapore

Dr Chui is Consultant Paediatric Surgeon and Director at Surgery Centre for Children Pte Ltd at Mount Elizabeth Medical Centre, Singapore. He is also visiting consultant at KK Women's and Children's Hospital, Singapore and at Guangdong Province Anti-Cancer Association, China. He is also Secretary of the International Society of Paediatric Surgical Oncology (IPSO).

Dr Chui received his basic medical education at the National University of Singapore. He subsequently completed his training in General Paediatric Surgery under the Academy of Medicine in Singapore. He underwent a 2-year fellowship program in Paediatric Surgical Oncology at St Jude Children's Research Hospital at Memphis Tennessee. Upon his return to Singapore, he developed the Paediatric Surgical Oncology Program at KK Women's and Children's Hospital and was appointed Head of Department of Paediatric Surgery in 2005. After moving to Mount Elizabeth Medical Centre, he continued to pursue his special interest in paediatric surgical oncology, especially in surgery in solid tumors, especially neuroblastoma.
